

Roger's Herr PTA General Body Meeting

April 13, 2013

Call to Order

- Call to order began at 6:39 pm.

President's Report – Sharron McAllister

The rising 6th grader Open House night had a great turnout. The PTA raffled off gift cards for early membership and received 6 memberships for next school year. Sweatshirts were also sold at the Open House. There was a huge request for T-shirts. The PTA will work on having T-Shirts at the next general body meeting in May and/or at the Open House in July.

Multi-Cultural night went really well and the turnout was exceptional.

Attending the Durham Council "You Are Not Alone" program was a great resource of material. Ann Rebeck invited a PTA member, from Forest View Elementary to speak. The Forest View PTA and other parent groups from the school has infused themselves. They come together and work together and for each other. The PTA is still in-charge but everyone works as a team. Great concept to possible look into for our school.

Rosa Ringle who is on the Durham Council of PTA's. She gave points about parent involvement. She also gave a very eye-opening look into the Latino culture. We are going to try to see if she can speak with our PTA.

Nominating committee – Nominations and ballots must get out to the parents. The general body meeting will be used to vote for the next board members.
