Welcome and Introductions

Committee members introduced themselves. Ms. Cox was elected chair of the committee.

School Improvement Plan

Mr. Fuga led the committee through a review of the SIP draft that was sent to committee members last week. Most data is not yet available this year, but results from available data (Teacher Working Conditions Survey and stakeholder survey results) were used to develop the plan draft. EOG/EOC data is expected to be available in October and the plan will be updated to incorporate this. Changes were made to the draft to be presented to staff members at Wednesday's meeting. Mr. Fuga proposed the idea from Ms. Cox of forming sub-committees related to each of the four goals involving SIT committee members and additional staff members. Sub-committees would meet between SIT meetings to provide input/updates at each SIT meeting.

Wrap Up and Next Steps

Decide on the best way to implement sub-committees for each goal.

Next meeting: October 14, 3:15-4:15

Ms. Cox will bring refreshments to the next meeting.

The meeting was adjourned at 4:24.
