3:15 p.m.-3:25p.m. ***Overview of the 2 Year SIP Goals** Everyone
Each group shared its progress

- 1- By June 2017, increase the overall school proficiency composite from 62.3% to 82.3% or greater as measured by the NC End of Grade Assessments.
Ended up at 64.7% proficient
 Goal centered around MTSS (establish team), look at MTSS rubric, completed, created tier 2 document (didn't have form like PEP, so created one), iReady used for universal screener (attended training and trained staff), created differentiation committee (plan for discovery etc).
 Need to work on parent communication
 This year iReady will only be used for tier 2 students this year (unlike last year)
 Tweek- How and who progress monitoring
- 2- By June 2017, increase the overall composite proficiency of Hispanic students in Reading and Math to 54.15% or greater as measured by the NC End of Grade Assessments..

44% proficiency last school year
Last year- SIOP training from DPS, worldview conference
(training for staff)

Need to revisit- Book study, increase family engagement
(through programs like Enlaces, Emily K)

- 3- By June 2017, increase Rogers-Herr's PBIS state recognition status from being a Model school to a PBIS exemplary school as measured by the PBIS end of year site assessment.

Surveyed 7th grade

Won award from Matrix and how familiar students are

Working on- identify trends (don't like Rams store, like free seating),
class DOJO roll out for whole school

Need to- communicate to parents how that is rolling out to kids
(what it looks like)

+Make sure we put a spotlight on what is going well
