

School Improvement Team Nomination Form

Joining the Rogers Herr School Improvement Team is a great way to stay in touch with your child's learning. The RHMS School Improvement Team serves as a resource for the school, the teachers, the parents and the principal in the development and successful implementation of the School Improvement Plan. The plan is designed to keep the school focused and on track throughout the year towards overall improvement and success for every child.

In addition the School Improvement Team:

- ✓ Builds the capacity of the school to continuously improve in areas of school climate and satisfaction
- ✓ Promotes positive school climate which includes student health, safety, discipline and working conditions
- ✓ Facilitates the involvement of the school community in designing and implementing the plan
- ✓ Encourages, supports and creates opportunities for the involvement of parents
- ✓ Promotes stakeholder satisfaction (students, parents and teachers)

In the past year the SIT:

- Created a RHMS Student Council with plans for 2 student representatives per grade
- Created a positive behavior incentive called "RAMBUCKS" where students can earn RAMBUCKS cash for prizes or privileges
- Created Goal Teams within the School Improvement Team for each of the four, primary goals of the School Improvement Plan for RHMS, which are Math, English, Computers, and Positive Behavior and Culture
